Saving a life!

A few years ago, our Christmas collection went towards buying a defibrillator for the village. The device was recently put to good use when a resident took a turn for the worse. The defibrillator saved the person's life, and he and his wife are most grateful.

Cobham Foodbank would be most grateful for donations of: Tinned potatoes, tinned custard, tinned tomatoes, UHT Fruit juice or squash, Chocolate spread.

Planned Giving update ...

A big thank you to all those who have responded positively to the recent relaunch of the St. Mary's Planned Giving Scheme. In response to parishioner feedback about the scheme, 'Count Me In' tokens are being introduced whereby participating members may take a token from the basket provided at the Church entrance and place it in the Offertory bags which are passed around during the service. It is hoped that this system enhancement will give reassurance to parishioners that their contributions are included in the formal Offertory process.
