

The Williams
Church Music Trust

We are delighted that the Williams Church Music Trust has given a very generous grant of £2,000 to St Mary's. This grant will support services of Choral Evensong, and will also enable our boy and girl choristers to have singing lessons.

The aims of the Williams Trust are to provide grants to assist the study, practice and improvement of instrumental music (including in particular organ music), and singing (in particular choral singing) especially in connection with the services of the Church of England and of Churches in communion with the Church of England.

More information about the Trust, and George Williams, its founder, is to be found on this website

Planned Giving update ...

A big thank you to all those who have responded positively to the recent relaunch of the St. Mary's Planned Giving Scheme. In response to parishioner feedback about the scheme, 'Count Me In' tokens are being introduced whereby participating members may take a token from the basket provided at the Church entrance and place it in the Offertory bags which are passed around during the service. It is hoped that this system enhancement will give reassurance to parishioners that their contributions are included in the formal Offertory process.
